

GRACIOUS COLLEGE OF PHARMACY

(Run by : Anudish Sansthan)

Approved by PCI & Affiliated to RGPV

D. Pharm (Diploma in Pharmacy) | (2 years)

B. Pharm (Bachelor in Pharmacy) | (4 years)

GRACIOUS

College of Pharmacy

Approved by PCI, AICTE & Affiliated to RGPV

Anudish Sansthan was registered on 2010 with the objective of providing relief and solace to the needy, in the form of charity and revival of society through education. The mainly emphasis revitalization of society by imparting quality health and education.

Gracious College of Pharmacy (GCP) Balaghat established in the year 2019. This is located in the Kaydi 8 km away from Balaghat towards Waraseoni. The college is recognized by Govt. of M.p. and approved by Pharmacy Council of India (PCI), New Delhi and All India Council for Technical Education (AICTE). New Delhi and affiliated to RGPV Bhopal .

We offer a calm campus spread over a spacious area with imposing building, lush green campus & unpolluted environment with a strong background and history of imparting quality education, We aspire to establish a system of quality assurance which would on a continuous basis evaluate and monitor the quality of education and training imparted at the institute to improve the teaching - learning process and ultimately develop the institute as a Centre of Excellence.

Vision

To be a college par excellence in pharmacy education and mould future pharmacists to optimize health of all members of society through the promotion of safe, effective and rational medicine use, patient counseling and monitoring of disease management through pharmaceutical care.

Mission

- To provide quality pharmacy education to have everlasting impact on quality of health care offered to our society.
- To satisfy the needs of today and tomorrow for continuous professional development.
- To produce competent, confident and consummate pharmacy graduates who are nationally and internationally employable.
- To promote and nurture long lasting deep learning abilities for career and personal advancement.
- To imbue value consciousness with practical creativity in all our pharmacy graduates and through our services.
- To generate new knowledge and discovery that infuses the learning and teaching of Gracious College of Pharmacy.

"An ultimate mix of
motivated students,
dedicated staff
and fantastic facilities...."

Welcome to our College Prospectus, As you read it, I hope you will find it useful and informative, but it is impossible to tell you all about GCP in a few pages, so please do visit us and see the place for yourself. There is a tremendous range of opportunities on offer and you have some very important choices ahead of you.

You have probably heard very good things about us. We are very proud of our excellent reputation. An ultimate mix of motivated students, dedicated staff and fantastic facilities make GCP a vibrant and positive place to study. Even so, we see each year as a fresh challenge and are always looking for ways to improve.

We work hard to make this a supportive and friendly place to study, with every student treated as an individual.

I very much look forward to welcoming you to the College.

Dr. Anurag Jain
Director

Courses Offered

GRACIOUS
College of Pharmacy

Approved by PCI, AICTE & Affiliated to RGPV

D. Pharm (Diploma in Pharmacy) | (2 years)

B. Pharm (Bachelor in Pharmacy) | (4 years)

Eligibility for Admission

Candidate who has passed the Higher Secondary Examination with Physics, Chemistry and Biology or Mathematics .

D. Pharm Diploma in Pharmacy

Pharmacy is a field in medicine which links health science with chemical science. Diploma in Pharmacy (D. Pharm) is a diploma programme in the medicinal field of Pharmacy which enables a candidate to know the basis concepts of pharmaceutical science.

Course Outline

First Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
1.	Pharmaceutics - I	3	4
2	Pharmaceutical Chemistry-I	3	3
3	Pharmacognosy	3	3
4.	Biochemisty & Clincial Pathology	2	3
5	Human Anatomy & Physiology	3	3
6.	Health Education & Community Pharmacy	2	-
Total hours		16	16

Second Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
1.	Pharmaceutics - II	3	4
2.	Pharmaceutical Chemistry-II	4	3
3.	pharmacology & Toxicology	3	3
4.	Pharmaceutical Jurisprudence	2	-
5.	Drug Store & Business Mgmt.	3	-
6.	Hospital and Clinical Pharmacy	3	3
Total hours		18	13

B. Pharm

Bachelor in Pharmacy

Bachelor of Pharmacy mainly concerns with the preparation and dispensing of drugs and medicines.
The candidate with a degree in Pharmacy has a great career ahead.

They can also go for their higher studies including Master's degree in Pharmacy. Master of Business Administration etc.

Course Outline

First Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
1-1	Pharmaceutical Chemistry I (Inorganic and Physical Chemistry)	3	3
1-2	Pharmaceutical Chemistry II (Organic Chemistry)	3	3
1-3	Pharmaceutics I (Dispensing and General Pharmacy)	2	6
1-4	Human Anatomy & Physiology	3	3
1-5	Pharmacognosy - I	3	3
	Tutorials	3	
Total numbers of hours / week		17	18

Third Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
3-1	Pharmaceutics III (Pharmaceutical Microbiology & Biotechnology)	2	3
3-2	Pharmaceutical Chemistry IV (Chemistry of Natural Products)	3	3
3-3	Pharmacology - I	3	3
3-4	Pharmaceutics - IV (Biopharmaceutics & Pharmacokinetics)	2	3
3-5	Pharmaceutical Jurisprudence	2	-
3-6	Pharmacognosy - II	3	3
3-7	Pharmacognosy - II	2	-
	Tutorials	3	
Total numbers of hours / week		20	15

Second Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
2-1	Pharmaceutical Chemistry - III (Advanced organic Chemistry)	3	3
2-2	Pharmaceutical Analysis - I	2	6
2-3	Pharmaceutics - II (Physical Pharmacy)	2	3
2-4	Pathophysiology & Health Education	2	-
2-5	Mathematics, Biostatistics & Computer applications	4	
2-6	Pharmaceutical Technology	2	3
2-7	Applied biochemistry & Molecular Biology	3	3
Total numbers of hours / week		18	18

Final Year

Sl. No.	Subject	Hrs. of theory per week	Hrs. of practical per week
4-1	Pharmaceutical Chemistry - V (Medical Chemistry)	3	3
4-2	Pharmaceutical Analysis - II	2	3
4-3	Pharmacognosy - III	2	3
4-4	Pharmaceutics V (Formulative & Industrial Pharmacy)	3	6
4-5	Pharmacology - II	3	3
4-6	Pharmacy Practice	2	2
4-7	Project work	1	
Total numbers of hours / week		16	20

Student Amenities

Counseling Centre

Program for H.R. Training and counseling will be conducted on a continuous basis by experts. In case a student has any problem about course work, personal and emotional problem, our expert counselors, are there to extend help".

Department of Physical Education

A premier department with a difference where committed coaching and competence make commendable performance in Cricket, Football, Volleball, Shuttle, Badminton and Athletics.

Canteen

A canteen is functioning withing the campus which provides a variety of food and beverages at subsidized rates.

Technical Forums

The campus will vibrate with top class curricular activities and co-curricular and extra-cumcular activities like conferences, technical fests, workshops, seminars, invited lectures, Industry-institute interactions etc. that provide students a professionally accomplished educational experience.

Ragging Strictly Prohibited

In view of the directions of the Hon'ble Supreme Court in SLP No. 24295 of 2006 dated 16/05/2007 & in Civil Appeal Number 887 of 2009 dated 08/05/2009 & as per AICTE rules, strict measures has been implemented to curb the menace of ragging.

Ragging / any type of misconduct towards any student, either in the college/campus or outside will be considered as criminal offence & will be immediately reported to the police, Perpetrators will not be permitted to continue their studies.

There is monitoring mechanisms in our college such as Anti Ragging Committee, Anti Ragging Squad and Monitoring Cell to prevent ragging.

Students indulging or abetting ragging in any form in the college will be promptly expelled from the college.

Laboratories & Research Facilities

- State-of-the-art five well established laboratories help students to practically learn the theoretical concepts and also the skill of working with sophisticated equipments.
- The college possesses all the desired equipments prescribed by various regulatory bodies including.
- Each laboratory is provided with firefighting equipment and first-aid box for safety.

Campus Facilities

- Campus with Wi-Fi and LAN internet connectivity
- Journal Club
- Student Counselling cell
- Cafeteria

Resources

- Library and Information Centre

The institution has a well equipped library to support the students for the academic and research activities. The library has a collection of latest books and subscribes a good number of national and international journals both in text and online journals which is relevant with latest research in the field of pharmacy.

The library with the objective of "Providing the right information for the right user at the right time" is committed to excellence in service and is a learning centre for students and staff.

Training & Placement Cell

The Training and Placement Cell as functioning to provide all possible assistance to students in their efforts to find employment, and also to cater to the needs of various organizations in conducting campus interviews for placements. It is coordinated by a Placement Chief Coordinator and an executive committee formed with faculty representatives from all departments. The Cell is also assisted by student placement coordinators.

The Training and Placement Cell ensures and takes care to provide the best arrangements and hospitality for the visiting companies' officials. It provides all facilities for pre placement talks, online and written Test. Group discussion and Interviews. It plays a very important and key role in counseling and guiding the students of the Institution for their successful career placement which is a crucial interface between the stages of completion of academic program of the students and their entry into the suitable employment.

Many reputed national and multinational companies visit the campus for recruitment annually. Large number of students secure job offers before they complete their programme of studies. The Training and Placement service operates year round to facilitate contacts between companies and graduates. The benefits of the Placement and Training Cell are reflected through our students who are able to secure lucrative and esteemed positions in various organization in recent years.

Pharmacy offers a challenging, satisfying and rewarding career

GRACIOUS
College of Pharmacy

Approved by PCI, AICTE & Affiliated to RGPV

Departments

The College has five departments viz., Pharmaceutical Chemistry, Pharmaceutics, Pharmacology, Pharmacognosy & Pharmacy Practice.

Department of Pharmaceutical Chemistry

Pharmaceutical Chemistry Department contributes to learning in the areas of Pharmaceutical Organic Chemistry, Medicinal Chemistry, Applied Biochemistry and Molecular Biology, Analytical Chemistry and Drug Discovery for the students of undergraduate and postgraduate courses. The Department of Pharmaceutical Chemistry has five undergraduate laboratories which are fully equipped with Fume Hood, Melting Point Apparatus, Muffle Furnace, Reflux Reaction Facilities and Analytical Balances etc.

Central Instrumentation Facility is provided as a common facility for sophisticated techniques in Pharmaceutical Analysis, Chromatographic Method of Analysis & Instrumental Methods of Analysis. Central Instrumentation facility is equipped with modern sophisticated instruments like UV visible Spectrophotometer, Flourimeter, Flame Photometer, Potentiometer, and Electrophoresis etc.

Department of Pharmaceutics

The Department of Pharmaceutics has four undergraduate laboratories and one machine room. The UG laboratories include Dispensing Pharmacy, Pharmaceutical Technology, Physical Pharmacy and Microbiology and Biotechnology. GMP & regulatory bodies' standards are implemented in the design of the laboratories. Separate preparation area has been set up in each lab.

Practicals with sterile operations are conducted in Aseptic Area which is a built in facility with Biotechnology Lab. This lab has an excellent designed sterile area with wash and change areas, air locks, air shower, laminar bench, HEPA filters.

Machine room has many equipments and machines for the development of dosage forms including solids, coating, liquids, semisolids and size reduction mills etc. It is also equipped with 8 station Dissolution Assembly, 16 Station Rotary Press, Double Cone Blender, Coating Pan, Capsule Filling Machine, Liquid Filling Machine, Bottle Sealing Machine and many more to impart industry.

Department of Pharmacy Practice

The Department of Pharmacy Practice is committed to excellence in teaching and service to the society. Through innovative teaching methods, the department provides the skills necessary to foster critical thinking and the optimal use of medications, while promoting professionalism. The faculty and graduate students initiate and collaborate in research focusing on the improvement of patient care and public health while incorporating current research findings into daily practice. The department provides leadership and service to the community, and health care professionals through the provision of patient care, educational activities, and participation in professional and governmental organizations.

Department of Pharmacology

The Department of Pharmacology has two undergraduate laboratories that deals with study related to Pharmacotherapeutics and Drug interaction experiments and includes excellent facilities to study drug effects on isolated tissues/organs and the evaluation.

The Pharmacology laboratories for Human Anatomy Physiology, Pharmacology & Toxicology, Pharmacological Methods of Screening are fully equipped with all essential instruments like Actophotometer, Rotarod, Electroconvulsimeter, Pole Climbing Apparatus, Analgesiometer, Plethysmograph, Sherrington Rotating Drums with Perspex Bath Assembly, Centrifuge, Spirometer etc.

A well maintained animal house which is approved by Committee for the Purpose of Control & Supervision of Experimentation on Animals (CPCSEA) to conduct experiments using various animals like Mice, Rats, Guinea Pig, Rabbits is an added facility for pharmacological studies.

Department of Pharmacognosy

The Department of Pharmacognosy imparts knowledge in the field of natural products. The Department has two undergraduate laboratories and a drug museum of several plant materials. The department is primarily engaged in the teaching of crude drugs and research activities. The department has initiated research on extraction, isolation and purification and biological evaluation of phyto-chemical constituents for the development of new drugs.

The Department works towards the aim to develop research directions that will translate into therapeutic applications and to mentor the next generation of researchers devoted to drug discovery from plants. In the area of research, department is involved in et s and evaluated for their anti diabetic, antioxidant, antifungal, hepato protective type of activities. The Pharmacognosy laboratories for Phytomedicines, Chemistry of Natural Produ significance such as IR Moisture Balance, Colony Counter, Zone Reader, Laminar Air Flow, Flourim er Apparatus, BOD Incubator, Hot Air Oven , Micro

Rules and Regulations

1. Student shall wear prescribed uniform while on duty & College Premises.
2. The student has to obey & follow all rules, and disciplines of the hostels and college/hospitals. She/He shall pay fee or mess charge in time.
3. The student has to undergo practical training/perform training in different health organizations and students will be posted in speciality ward during advanced study.
4. The student has to undertake all types of duties of nursing and have to follow the rules & order of the principal and hospital authorities.
5. Besides training the students are expected to participate in all extra curricular activities such as sports, Cultural Programme, activities & field studies arranged by the College of Nursing faculty.
6. When a student has been found guilty of breach of discipline within or outside the premises of the institution or persistent idleness or misconduct, the Head of institution may according to nature and gravity of the offence - (a) Suspend such student from attending classes not more than a week at a time or (b) Expel such a student from the institution to (c) Disqualify such a student from entering examination to (d) Rusticate such a student
7. Before inflicting any punishment as afore said, the head of the institution shall give the student concerned opportunity of personal hearing and record the reasons of inflicting the punishment in writing.
8. Student trying to attempt or commit any kind of suicide, unnatural act, authorities of the college, hostel & hospital will not be responsible.
9. The head of the institute shall have power to suspend the student temporarily from the institution pending enquiry into her/his conduct in connection with the alleged offence.
10. The period, during which student remains suspended for completion of enquiry shall be reckoned in the calculation of her attendance for appearing in an examination provided he/she is found innocent.
11. A Student who has been rusticated shall not be admitted to another institution within the jurisdiction of the university within the period of rustication.
12. The rustication of a student from an institution shall entail the removal of her name from the register of enrolled student.
13. Under ordinance No. 7 of Madhya Pradesh Vishva Vidhyalaya Adhiniyam 1973. Student shall have minimum 75% attendance for appearing at University Examination.
14. For local students, parents can only be local guardian. However, if both parents are staying outside Raipur. Local Guardian should be married couple. Two photo of Local guardian to be deposited with authority letter beside this students should be submitted two photo of their Guardian i.e. (Mother & Father).
15. At the time of admission student shall deposit. 12 passport size photos in light colour dress but hair should not be falling on forehead.
16. After the admission if any student wishes to discontinue during the duration of the course he/she shall be required to pay the entire fees the whole course irrespective of the period he/she has remained in the college.
17. Medicinal expenses of students will be done by themselves only. Local guardians/parents will bear the entire cost & responsibility.
18. Bus facility will not be provided for leaving /pick-up students going home on vacation.
19. Mobile phones are strictly prohibited within the college/hospital/ hostel premises.
20. Ragging is strictly prohibited. Those found will be suspended/ rusticated.
21. Cheating during examination may lead suspension /rustication.
22. Regulations of college, hospital & hostel will have to be followed after admission.
